The Annual Apprentice Skills Contest

Hold onto your hard hats because we've got some exciting events lined up! We have the Annual Apprentice Skills contest this month, on Saturday, April 27! Three brick apprentices from each year of apprenticeship, two PCC apprentices from each year of apprenticeship, and four second year tile setters, will compete against each other in a timed contest of skilled craftsmanship. This is an opportunity to show off their abilities, win cash prizes, and earn bragging rights! Builds begin at 7am, lunch at 11am, and awards at 1pm. Join us and support our contestants!

Pre-Apprenticeship

We are in week three of our first brick pre-apprenticeship and are looking forward to sending 20 new apprentices out into the world the beginning of May. The summer brick pre-apprenticeship is scheduled to begin June 3. **Know anyone interested in beginning a career as a bricklayer or pointer-caulker-cleaner?** This is a great opportunity for those just graduating high school who want to work with their hands! We are flexible with start dates surrounding high school graduation—if you're interested in the program, but don't graduate until after June 3, please indicate this on the contact form.

Tile Pre-Apprenticeship

Start a career not a job!

Become a Tile Finisher!

- Free, unpaid 1-week training
- 90% job placement rate
- \$24.31 + benefits per hour starting wage

May 20-24, 2024
