ISSUE 22

Congratulations To Our Apprentice Contest Winners!

Last Saturday, we had an incredibly successful Apprentice Contest! Apprentices from each trade put their skills to the test competing against their peers for cash, prizes, and bragging rights. Third year brick apprentice, Keanan Carlson, took 1st place for his third consecutive year and 2nd year brick apprentice, Ethan Poch, took 1st place for the second consecutive year! We are in our final week of our spring pre-apprenticeship! 19 hardworking individuals are completing this program; they are excited to get out in the field and begin their careers!

Our tile pre-apprenticeship will be beginning in just a few weeks, on May 20. **This is the last opportunity to apply for the tile pre-apprenticeship!** See link below to apply.

The summer brick pre-apprenticeship is scheduled to begin June 3. **Know anyone interested in beginning a career as a bricklayer or pointer-caulker-cleaner?** This is a great opportunity for those just graduating high school who want to work with their hands! We are flexible with start dates surrounding high school graduation—if you're interested in the program, but don't graduate until after June 3, please indicate this on the contact form.
